

## 6187 Carriage Oak Way - Now Under Construction – Offered at \$1.3 Million

Coming soon to Oak Reserve at Carriage Hill. This custom plan includes our most popular features and details. It is a combination of three of our former Carriage Hill model homes. The most sought after features include our signature two level den, curved bar between the kitchen and great room, as well as our hidden walk-in pantry with secondary refrigerator. The home also features 12' 6" high ceilings in the kitchen and great room with floating beams, 16' wide doors open to an expansive outdoor living area. The master suite includes 11' ceilings with a beautiful wall detail and the spa like bath opens to a spacious walk-in closet. Both secondary bedrooms are oversized and include ensuite baths and walk-in closets. The finished lower level includes rec room/theater space, game room, wet bar with wine room and comfortable guest suite. There is still time to personalize the home to your tastes and preferences.
